## Water

### **Franschhoek Hills**

**Sparkling / Still 250ml**

33

**Sparkling / Still 750ml**

80

A pure invigorating and refreshing natural spring water, filtered over centuries through the ancient African bedrock in the Cape mountains. Just for you!

### **San Pellegrino Sparkling 250ml**

55

San Pellegrino is a fine quality natural mineral water that flows from natural springs in Val Brembana in the San Pellegrino Terme area, at the foothills of the Italian Alps near Bergamo (Lombardy). This 'terroir' makes San Pellegrino sparkling and naturally enriched with mineral salts.

### **Evian Still 330ml**

77

Evian water gets its unique cool, crisp taste from its 15 year journey through the French Alps. It starts as snow and rain and travels slowly through layers of glacial rocks where it becomes naturally filtered and enhanced with electrolytes and minerals.
