"I drink Champagne when I'm happy and when I'm sad. Sometimes I drink it when I'm alone. When I have company, I consider it obligatory. I trifle with it if I'm not hungry and drink it when I am. Otherwise, I never touch it, unless I'm thirsty." - Lily Bollinger

## **SAUVIGNON BLANC**

### **Neil Ellis West Coast (Stellenbosch) 2024 295**

Tropical flavours of passion fruit and melon abound on the nose and palate, along with a hint of citrus peel and freshly cut grass. On the lingering, balanced finish, A slight tinge of sea-salt minerality conjures up the wine's coastal origin.

### **Seven Springs (Hemel en Aarde) 2020 435**

Fresh, clean and vibrant, with beautiful, floral notes of elderflower and white peach on the nose and palate. Hints of asparagus and mown grass. As elegant wine with a fine structure, crisp, mouth-watering finish this is akin to a European, cooler-climate style Sauvignon Blanc.

### **Paul Wallace Little Flirt (Elgin) 2024 455**

Fruit driven nose led by wafts of white pear, granadilla and gooseberry softened by kiwi fruit, golden delicious apples and hints of lime. This medley of tropical fruits extends onto the palate where it is further enhanced by an underlying salinity.

The mouthfeel captures the purity of Elgin's fruit, resulting in a layered, well-balanced wine with good length. Delightful while young but is expected to show her pedigree and mature with stylish grace and aplomb, with further time in the bottle.

"Wine is constant proof that God loves us and loves to see us happy." - Benjamin Franklin

## CHARDONNAY

### **De Wetshof Limestone Hill (Robertson) 2024 395**

Heavy clay soils rich in limestone allow this Chardonnay to emit optimum varietal expression in a cloak of rich complexity. An un-wooded wine, Limestone Hill has notes of grapefruit and nuts, with the complexity balanced by a nuanced elegance ending with a delicate ripeness.

### **Newton Johnson South End (Upper Hemel en Aarde Valley) 2022 745**

The vineyard lies directly opposite the Newton Johnson farm in the valley, a notably cooler slope with slower ripening. It produces wines with compact structure, cool fruit flavours and vibrant, lengthy acidity. For the Southend Chardonnay the oak is toned down to further define this classy parcel among the other elegant Chardonnays of our appellation

### **Almenkerk (Elgin) 2022 940**

The complex nose leads with pomelo, lemon-tree flower, pineapple, oatmeal, fresh coconut and vanilla pods underbuilt by a floral tone that underscores its minerality. Judiciously but unapologetically wooded, the blond toast characters complement the fruit. The zesty palate is softened by the lees contact, leading to a lingering finish. Typical Elgin cool-climate elegance.

"Wine is the most civilized thing in the world." - Ernest Hemingway

### **Muratie Laurens Campher (Stellenbosch) 2023 575**

For all its freshness, elegance and focus, the wine's flavours are complex and intense, ranging from bright lemon, fresh pineapple, apricots and juicy nectarine to more concentrated lime marmalade as well as caramel and cream (from barrel fermentation and 11 months of maturation in mostly older French oak). On the palate the initial impression is floral (heady honeysuckle) finishing with white peaches and apricots, with hints of citrus and a fresh acidity – great persistence promising enjoyment over at least five years.
