

Dear Guests,

In connection with the Regulation of the Minister of Health of November 9, 2015, on the requirements to be met by water in swimming pools (Journal of Laws of December 2, 2015, item 2016), we would like to inform you that the water analysis of:

August 7, 2025,

in accordance with the PN_EN ISO 19458: 2007 standard, did not reveal any irregularities and complies with the above-mentioned legal regulations.
