## Meetings & Events

### Green Meetings

#### - Conferences with a Lower Carbon Footprint

**We can organize any conference, training session, or corporate event in an environmentally responsible way, without compromising the comfort of your guests.**

- No single-use plastics – reusable tableware throughout the event, with no plastic cups, plates, or straws.
- Water served in carafes – filtered water available in meeting rooms and on tables instead of PET bottles.

- Locally sourced catering – menus prepared using ingredients from regional suppliers.
- Plant-forward by default – vegetarian and vegan options available as a standard for all participants.
- Natural daylight – all conference rooms feature large windows with plenty of natural light.
- Easy access by public transport – tram and bus stops are located just outside the hotel, making it easy for guests to arrive without a car.
