The Company Christmas Eve is already a tradition for many companies. Take care of your employees and organize it with us

For an additional fee:

Sleigh ride with bonfire - Participants have the opportunity to go back in time, when sleigh rides took place almost every week. A real horse, a huge sleigh and picturesque mountainous terrain. Participants receive mulled wine "for the road", and at the end they feast on delicious food by a large bonfire. In the absence of snow, it is possible to exchange the sleigh for a carriage on wheels. Short off-road rides and slides on a pontoon/inner tube behind an off-road vehicle, ASG shooting range, throwing an axe, a knife at a target.

Christmas Challenges - Christmas Challenges is a story scenario during which Participants compete for special Christmas gifts. After all, Christmas is a time of gifts, joy and meetings with people. However, for Santa Claus' employees, it is a time of work at 400% of the norm. All this so that children can enjoy the desired gifts, and adults do not end up with socks and cheap perfumes from the drugstore. Participants meet with Santa's main Elf, who offers them the fulfillment of their gift dreams, but only if they prove themselves in the individual workshops where gifts are created. Humor, fun, Christmas characters - this is our guarantee of a pleasant Christmas event.

Christmas will not come - Someone has kidnapped Santa Claus. If your company fails to recover and save him, the holidays will cease to exist. The gifts will not reach the children, and Christmas bonuses will never be paid out again. The elves managed to find places that can help find Santa. Your task will be to divide into smaller teams, which, under time pressure, will try to discover the identity of the kidnapper, his motives and the place where Santa is being held. Logical challenges known from escape room mechanics, this time in a Christmas theme, will allow Participants to have fun in the atmosphere that everyone waits for all year long.

Christmas party - Who among us does not dream of returning to childhood and meeting the real Santa. This wonderful character has been with us since our youngest years and always brings us a lot of joy, providing pleasant experiences and irreplaceable memories. Wanting to provide you with an unusual atmosphere of the magic of the holidays, we invite you to a meeting in the style of your choice. We will develop the convention together. It can be an intimate meeting for a selected group of employees or a huge Santa Claus theme party for entire families.

The offer is valid from 1-23.12.2026, excluding holidays and long weekends.

Offer for a group of at least 10 people.
