Wine List

Our carefully curated wine list reflects our commitment to sustainability and local sourcing. It includes only 'old world' vineyards to reduce carbon emissions from transportation.

We have included a mix of familiar favourites and interesting offerings such as our ‘Off The Beaten Track’ wines which we highlight with the symbol. Most are from smaller or unconventional producers, many embracing sustainable, organic or biodynamic practices. The list also includes wines from an award-winning English winery right on our doorstep.

Because of the way we select our wines our stock may occasionally be limited. But with over 40 wines we will always have alternatives that we can recommend; exceptional wines you may not have discovered yet and they are just waiting to be enjoyed.

If food and wine is your thing please enquire about our Wine Evenings, where we bring you interesting wines carefully paired with food that will enhance your enjoyment. We hold around four of these every year.

Cellar Gems...

Special wines that we just can't repeat, enjoy them while they are here..!

Bottle

2022 Domaine Chante Cigale, Châteauneuf-du-Pape Blanc Rhone, France — 87 *(75cl)*

94 points — From one of the most important family estates in the AOC, lauded by amongst others Jancis Robinson, enjoyable young this wine ages well up to 10 years. A roughly equal blend of Grenache Blanc, Picpoul, Clairette, Bourboulenc, and Rousanne all picked from 40 year old vines in a 5ha vineyard in Travaillon. The wine is a stylish white with inviting warm, spicy aromas. The full-flavoured palate suggests poached pears and white peaches with a long, lifted finish.

1990 Louis Latour, Corton-Charlemagne Grand Cru Burgundy, France — 129 *(75cl)*

98 points — From one of the most highly-respected négociant-éléveurs in Burgundy, the wine is of course 100% Chardonnay vinified and aged in their own cuverie, the oldest still-functioning in France. The wine is still straw yellow in colour, exhibiting fresh, rather than dried, fruit notes, though nutty nuances appear in the finish. Its complexity is staggering. This refined wine remains balanced and fresh with a vibrancy that belies its three decades of age.

2019 Vins Auvigue, Mâcon-Solutré Burgundy, France — 54 *(75cl)*

90 points — From a family-run organic winery founded in 1946 and known for its exceptional wines, the vines for this cuvée are planted on the heights above Solutré in stony soil perfect for producing this style of Chardonnay. The grapes are hand-picked before being vinified in stainless steel and aged on the lees. The wine has a fresh bouquet with lemony notes, minerality and a round and lively finish that lasts well. A still fresh and and generous wine.

2019 Gilles Flacher, Les Rouelles Condrieu Rhône, France — 129 *(75cl)*

94 points — The Flacher family has been making wine in the northern Rhône since 1806. Their wines are all from single-vineyard sites on terraced slopes in and around the commune of Charnas so most vineyard work is done by hand. The wine is supple and generous with rich, creamy honeycomb aromas and ripe melon-fruit. The palate is fresh, yet fulsome, with peach and apricot flavours mingling beautifully with vanilla from the oak. The finish is full-bodied and long.

2020 Château de Chamirey, Mercurey Blanc Rhône, France — 98 *(75cl)*

90 points — A prestigious 95-hectare estate in the Mercurey appelation of Burgundy's Côte Chalonnaise. In 1934, it became one of the first producers in Mercurey to bottle estate wines and remains a benchmark for tradition and refinement. The wine opens with aromas of peach, white flowers, and subtle creamy oak. The palate has notes of stone fruit, citrus, and a delicate floral lift, carried by refreshing acidity and a touch of wood-spice on the finish.

2016 Domenico Fraccaroli, Grotta del Ninfeo Amarone della Valpolicella Veneto, Italy — 129 *(75cl)*

89 points — In 1958 the family began producing wines and in 2002 purchased the Grotta del Ninfeo, to produce Valpolicella. The grapes are picked by hand and laid on small trays placed in the drying-room, according to the traditional system of appassimento. This classic Amarone opens with aromas of dried cherry, sweet tobacco, leather and cocoa. The palate is plum and dark cherry framed by dried lavender, thyme and coffee with sweet and easy tannins on the finish.

CHAMPAGNE GARDET
Depuis 1895

Charles Gardet, founded his House in 1895, in the 1930s his son moved the business to Chigny-les-Roses, then in 2007 the Prieux family took over, always maintaining the extra care and passion that we and the Macrons love.
