

W I N D & *Memory*

S A C L A S T R A

Mallorca is shaped by the winds, not just in its landscapes and climate, but in its culture and gastronomy, which have been influenced for centuries.

Each breeze that sweeps across the island carries stories, bringing change, memories, and traditions that have left their mark on Mallorcan life.

We present "Wind & Memory", a menu that transforms centuries of history into unforgettable flavors. Each dish is an homage to a Mallorcan wind, weaving together past and present in a multisensory culinary journey.
