Facilities & amenities

The details are simply there when you need them: a fitness centre, a swimming pool, a kids' zone, Spa by THANN Sanctuary, Dr. Orawan Medical Center, the Chatrium Club Lounge, and a helipad for those arriving from further afield. Wi-Fi, laundry, and 24-hour in-room dining are taken for granted here, the way they should be.

Pool & garden
A swimming pool set within a large landscaped garden, unhurried, open, and generous with shade. A jacuzzi and children's pool sit alongside, making the space as suited to quiet mornings as to easy afternoons.

Spa by THANN Sanctuary
A sanctuary of calm in the centre of the city. Drawing on THANN's philosophy of botanical wellness, the spa offers a considered menu of treatments designed to restore both body and mind after the pace of Bangkok.

· Signature THANN massage treatments
· Aromatherapy and body rituals
· Facial and skin care journeys
· Couple treatment rooms available

Fitness centre
A fully equipped fitness centre overlooking the garden, designed for guests who prefer movement that feels considered rather than obligatory.

Kids' zone
A dedicated space for younger guests thoughtfully designed so families can settle in, and parents can properly unwind.

Dining

Four rooms, each shaped by its own hour of the day.

Lobby Bar set in the lobby itself, tea, coffee, cocktails, and something to nibble on, from early until late, in a room that never feels rushed.

etcha Chef Giacomo Primante's borderless table, where local ingredients meet a wider view of the world.

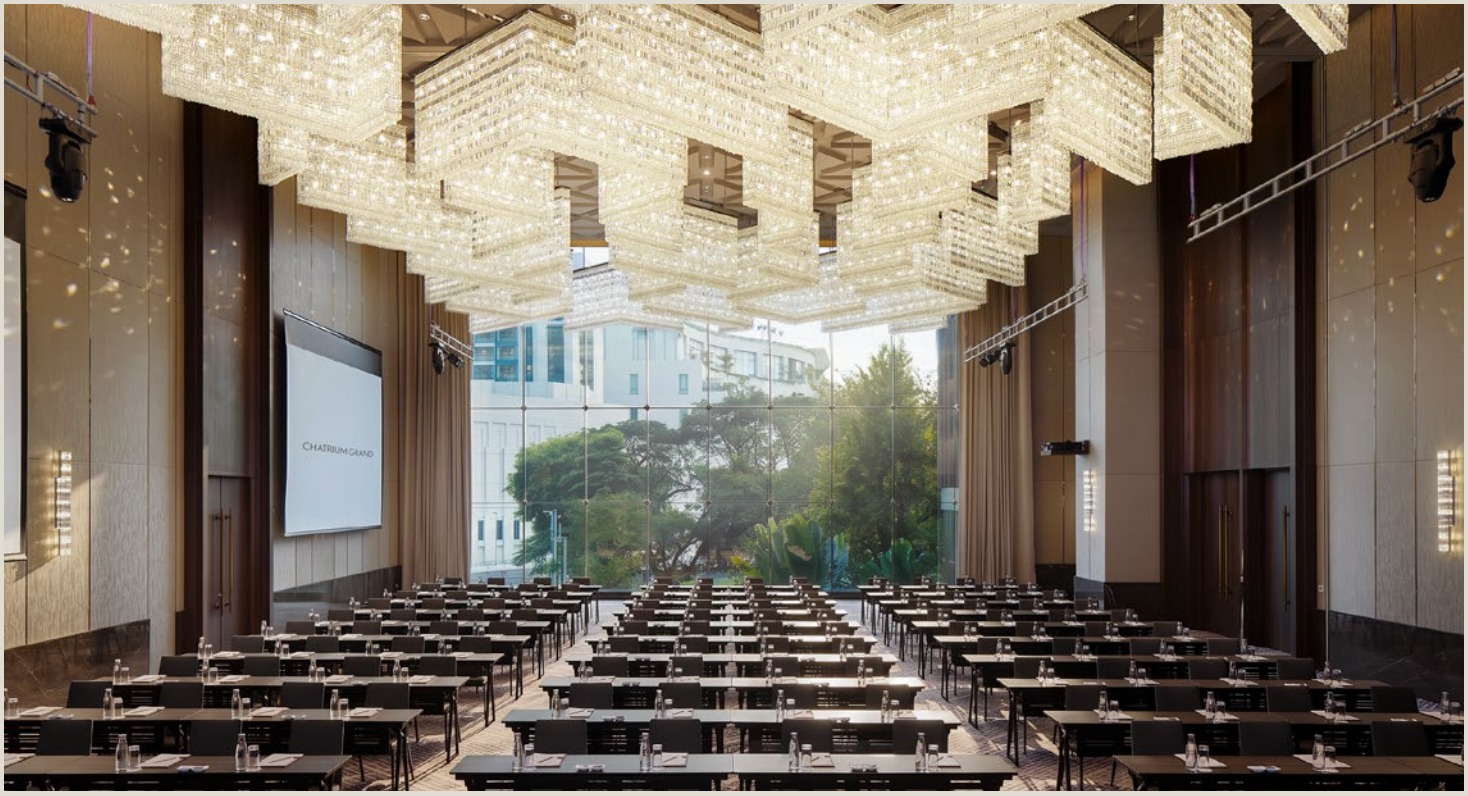

Savio also on the lobby level, where old meets new and east meets west, in a room shaped by Thai-inspired interiors and considered architecture.

Flow up on the 7th floor beside the pool, small bites from the wood-fired oven, taken slowly, in the open air.

Chatrium Club Lounge High above the city on the 32nd floor, the Club Lounge is shaped around a simple preference: the ease of a private setting. Here, the day can be arranged exactly as you need it, all-day drinks, afternoon tea, canapés and cocktails, with a sweeping view over Bangkok that quietly holds the room. It remains a place of calm assurance, where the service is steady and the city moves beneath you.

Weddings, meetings & events

Rooms built for clarity, not spectacle. From an intimate boardroom to 576 guests theatre-style in the Grand Ballroom, every space is considered before it's filled.
