WEDDING MENU OPTIONS

Our chef has compiled a range of options for your wedding breakfast. If there is something specific you would like that is not on our menu, please discuss with your wedding co-ordinator and we will try to accommodate your requests.

Please select one starter, one main and one dessert for your guests. Vegetarian options and other dietary requirements will be accommodated in addition to your choices.

MENU TASTING

We believe menu tasting is a journey and our Chef will work with you to make sure we achieve the flavours and presentation that you want. Please discuss your thoughts with the Chef and your wedding co-ordinator. Within your package you will have a complimentary menu tasting for two. Additional guests can be included at a fee

KIDS MENUS

Children under six are our special guests and dine with us free of charge.

For those aged six to twelve, a delightful children's menu is available at £25 per child. Guests aged twelve to sixteen are welcome to indulge in the full adult menu at £45 per person.

EVENING BUFFET

Dancing till the early hours requires some fuel, therefore our Chef has designed buffet options for you. Should you require something different, please speak to your wedding co-ordinator to see what can be arranged.

The food will be served at the time you decide on and if you wish for it to be replenished, this is available at a fee; please discuss options with your wedding co-ordinator.

We are happy to cut the wedding cake and serve it on the evening buffet if this is something you would like us to do.

UPGRADES

Do you want something more fancy? We have options available, from mains upgrades to midnight feasts! Please discuss with your co-ordinator who can put something together especially for you. (subject to availability)
