FILTERED WATER FOR OUR GUESTS

At Forest Park Resort & Spa, we care about the comfort of every stay. That is why we provide access to fresh, high-quality filtered drinking water. The dispensers offer:

- Still water: ideal for staying hydrated throughout the day
- Sparkling water: for those who enjoy refreshing bubbles

How to use the dispenser?

1. Select your preferred type of water.
2. Place a carafe or bottle under the dispenser.
3. Press the sensor.
4. Enjoy fresh water at any time during your stay.

Our dispensers are equipped with a modern filtration system and UV technology, helping to ensure high quality, safety, and excellent taste.

We wish you a pleasant stay!
