If such control cannot be ensured, the dog must wear a muzzle. No pet may remain outside the room/apartment without the supervision of its owner or an authorized person.
8. If the Resort determines (particularly following complaints from other Guests) that a pet left in the room/apartment disturbs other Guests, damages Resort property, or poses a threat to itself or others, the Resort will attempt to contact the owner to resolve the issue. If the owner cannot be reached, the Resort staff may enter the room/apartment, if necessary with the assistance of the appropriate authorities, and remove the animal from the Resort.
