Proposed by: G Castleman Seconded by: J Reid

11. CONSIDERATION OF INSURANCES:

Resolution 5:

The Managing Agent advised that a quotation had been received from Brokers, Reid Raetzer Robson, with cover of R86,628,782 on the building plus 6% escalation and 6% inflation. Contents covered for R6,800,112. The Acting Chairman confirmed that the assets have fair value and are adequately covered for 2025. The premium will be reconfirmed in January 2025 once the claims to loss ratio has been calculated.

Managing Agent confirmed that in 2022 an independent insurance valuer, Pardey, conducted a replacement assessment and this would be repeated in 2025.

It was unanimously agreed that the values and cover as listed on the Schedule be accepted.

Proposed by: J Reid Seconded by: N R Dhlamini

12. GENERAL

The Acting Chairman asked if Shareholders present would like to raise any queries. J Reid requested the Managing Agent to investigate the possibility of changing the arrival date from a Saturday to a Friday. Managing Agent advised that two weeks would be affected being Week 15 and 16. J Reid explained the reason for this proposal is from a rental and management point of view. Being successful in changing the start date of the week would resolve issues and complaints of guests arriving on a Friday and then moving to another unit on a Saturday as well as easing the pressure on the Resort on changeover day.

MA

The Acting Chairman thanked the Board of Directors for their support throughout the year and to the Resort Manager and Managing Agent for their exceptional work as well as the Shareholders for attending the meeting.

13. CLOSURE: There being no further point 15h26.	nts of discussion, the Chai	rman declared the meeting closed

CHAIRMANS REPORT FOR SILTWO SHAREBLOCK LTD 2025

Dear Owners

Reflecting back on the past year, I would like to express my gratitude for your continued support of Siltwo Shareblock Ltd. Your commitment to payment of levies for your weeks owned has been instrumental in the success of our Shareblock.

I am pleased to report that our Managing Agent has done extremely well in keeping the annual levy increase this year to 5.21%. This is commendable given the current economic climate and uncertainty in the marketplace.

I do need to highlight that we are currently seeing a shift within the Timeshare Owner profile. Many of our owners are aging and the younger generation sees less value in purchasing timeshare. This could have an effect in the future. I am positive with the assistance of our Managing Agent, we will continue to keep our Resort sustainable and up to date with current trends in the industry.

I would like to take this opportunity to thank my fellow Directors for their support and insight over the past year. Additionally, I would like to thank our Managing Agent and Management on site for their support and dedication over the past year

Together we will continue to uphold the values and quality that define our Resort.

Kind regards

GAVIN CASTLEMAN

Directors' Responsibilities and Approval

The directors are required by the Companies Act of South Africa (No. 71 of 2008), to maintain adequate accounting records and are responsible for the content and integrity of the annual financial statements and related financial information included in this report. It is their responsibility to ensure that the annual financial statements fairly present the state of affairs of the company as at the end of the financial year and the results of its operations and cash flows for the period then ended, in conformity with the IFRS for SMEs Accounting Standard as issued by the International Accounting Standards Board. The external auditor is engaged to express an independent opinion on the annual financial statements.

The annual financial statements are prepared in accordance with the IFRS for SMEs Accounting Standard as issued by the International Accounting Standards Board and are based upon appropriate accounting policies consistently applied and supported by reasonable and prudent judgements and estimates.

The directors acknowledge that they are ultimately responsible for the system of internal financial control established by the company and place considerable importance on maintaining a strong control environment. To enable the directors to meet these responsibilities, the board sets standards for internal control aimed at reducing the risk of error or loss in a cost effective manner. The standards include the proper delegation of responsibilities within a clearly defined framework, effective accounting procedures and adequate segregation of duties to ensure an acceptable level of risk. These controls are monitored throughout the company and all employees are required to maintain the highest ethical standards in ensuring the company's business is conducted in a manner that in all reasonable circumstances is above reproach. The focus of risk management in the company is on identifying, assessing, managing and monitoring all known forms of risk across the company. While operating risk cannot be fully eliminated, the company endeavours to minimise it by ensuring that appropriate infrastructure, controls, systems and ethical behaviour are applied and managed within predetermined procedures and constraints.

The directors are of the opinion, based on the information and explanations given by management, that the system of internal control provides reasonable assurance that the financial records may be relied on for the preparation of the annual financial statements. However, any system of internal financial control can provide only reasonable, and not absolute, assurance against material misstatement or loss.

The directors have reviewed the company's cash flow forecast for the year to 31 December 2025 and, in the light of this review and the current financial position, they are satisfied that the company has or has access to adequate resources to continue in operational existence for the foreseeable future.

The board of directors is responsible for the financial affairs of the company.

The external auditor is responsible for independently auditing and reporting on the company's annual financial statements. The annual financial statements have been examined by the company's external auditor and their report is presented on page 5 - 4.

The annual financial statements set out on pages 5 to 15, which have been prepared on the going concern basis, were approved by the board of directors on 30 May 2025 and were signed on its behalf by:

Director

Certificate by the company secretary

In terms of the Companies Act of South Africa (No. 71 of 2008), I certify that the company has lodged with the Companies and Intellectual Property Commission (CIPC) all such returns as are required by the Companies Act and all such returns are true, correct and up-to-date.

Directors' Report

The directors have pleasure in submitting their report on the annual financial statements of Siltwo Share Block Limited for the year ended 31 December 2024.

1. Review of financial results and activities

Main business and operations

The company owns the land and buildings which are utilised by the members on a time share basis with respective members' time interest being apportioned through the issue of shares according to the Use agreement. The Use agreement provides for the following:

- Shares are issued in predefined blocks which are linked by use and occupation agreements relating to specific periods of the year and chalets.
- Linked to the respective share blocks are obligations on the share block owners to make loans to the company.
- Obligations on share block owners to contribute levies in proportion to their shareholding to enable the company to defray its expenditure.

The levy surplus for the year amounted to R83 391 (2023: Surplus R27 351).

2. Authorised and issued share capital

There were no changes in the authorised or issued share capital of the company during the year under review.

3. Directors

The directors in office at the date of this report are as follows:

Directors
G M Castleman
E D Testa
S K Bux
T A Netshidzivhani
J W Reid
J Lakaram

In terms of the company's Memorandum of Incorporation Mr E D Testa and Mr T A Netshidzivhani retired by rotation at the AGM

The board of directors expressed their sincere appreciation to the outgoing directors for their contributions during their respective periods of office.

4. Management

GDS Proprietary Limited is the managing agent of the timeshare operations.

5. Terms of appointment of the auditor

C4 Chartered Accountants were appointed as the company's auditor at the general meeting held on Monday, 18 November 2024. Included in profit for the year is the agreed auditor's remuneration of R45 000-. Members wishing to inspect a copy of the terms on which the company's auditor is appointed and remunerated may do so by contacting the Company Secretary.

6. Going concern

The directors believe that the company has adequate financial resources to continue in operation for the foreseeable future and accordingly the annual financial statements have been prepared on a going concern basis. The directors have satisfied themselves that the company is in a sound financial position and that it has access to sufficient borrowing facilities to meet its foreseeable cash requirements. The directors are not aware of any new material changes that may adversely impact the company. The directors are also not aware of any material non-compliance with statutory or regulatory requirements or of any pending changes to legislation which may affect the company.

7. Events after the reporting period

The directors are not aware of any matter or circumstance arising since the end of the financial year.

To the Directors of Siltwo Shareblock Limited

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of Siltwo Shareblock Limited set out on pages 8 to 20, which comprise the statement of financial position as at 31 December 2024, and the statement of profit or loss and other comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including material accounting policy information.

In our opinion, the financial statements present fairly, in all material respects, the financial position of Siltwo Shareblock Limited as at 31 December 2024, and its financial performance and cash flows for the year then ended in accordance with IFRS for SMEs Accounting standards as issued by the International Accounting Standards Board and the requirements of the Companies Act of South Africa.

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the company in accordance with the sections 290 and 291 of the Independent Regulatory Board for Auditors' *Code of Professional Conduct for Registered Auditors (Revised January 2018)*, parts 1 and 3 of the Independent Regulatory Board for Auditors' *Code of Professional Conduct for Registered Auditors (Revised November 2018)* (together the IRBA Codes) and other independence requirements applicable to performing audits of financial statements in South Africa. We have fulfilled our other ethical responsibilities, as applicable, in accordance with the IRBA Codes and in accordance with other ethical requirements applicable to performing audits in South Africa. The IRBA Codes are consistent with the corresponding sections of the International Ethics Standards Board for Accountants' *Code of Ethics for Professional Accountants (including International Independence Standards)* respectively. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Companies Act of South Africa. The other information does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express an audit opinion or any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of the Directors for the Financial Statements

The directors are responsible for the preparation and fair presentation of the financial statements in accordance with IFRS for SMEs Accounting Standards as issued by the International Accounting Standards Board and the requirements of the Companies Act of South Africa, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.
- Conclude on the appropriateness of the directors' use of the going concern basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Annual Financial Statements for the year ended 31 December 2024

Accounting Policies

1. Basis of preparation and summary of significant accounting policies

The annual financial statements have been prepared on a going concern basis in accordance with the IFRS for SMEs Accounting Standard as issued by the International Accounting Standards Board, and the Companies Act of South Africa (No. 71 of 2008). The annual financial statements have been prepared on the historical cost basis, and incorporate the principal accounting policies set out below. They are presented in South African Rands.

As opposed to capitalising and depreciating additions to timeshare units, the directors maintain a maintenance reserve against which acquisitions are charged and into which an annual provision for future replacement is transferred by means of a charge from levy income. This annual transfer is assessed by the directors on a best estimate basis bearing in mind the age and expected useful life of the assets.

These accounting policies are consistent with the previous period.

1.1 Significant judgements and sources of estimation uncertainty

Key sources of estimation uncertainty

The financial statements do not include assets or liabilities whose carrying amounts were determined based on estimations for which there is a significant risk of material adjustments in the following financial year as a result of the key estimation assumptions.

The key assumptions concerning the future, and other key sources of estimation uncertainty at the balance sheet date, that have significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below.

The nature of these estimations assumptions is inherently long-term and future experience may result in actual amounts differing from these estimates as applied in the reported financial results.

Allowance for doubtful debts

The allowance for levy debtors is determined on an account-by-account basis. Accounts are written of after handing the debtor over for collection or alternatively on the debtor not being able to pay.

1.2 Property and furnishings

A maintenance reserve is maintained into which the company transfers a replacement provision based on the "whole life/remaining life" principle and against which future acquisitions are charged.

1.3 Property

Freehold land and fully furbished buildings known as "Silversands 2", consisting of holday flats and described as Portion 50 and 51, Erf 10054, Durban, Registration Division FU, Province of Kwa-Zulu Natal, in extent 756 square meters.

Land and buildings were originally purchased for R2 066 948 and are not recognised because although the company has legal title to the property, it effectively only owns the bare dominium over the property which is considered to be of no value.

The directors are of the opinion that, as the property is not held as an investment, it would serve no purpose to reflect the open market value of the property.

The company's capital is divided into share blocks and each share block gives the holder the right to occupy a particular portion of the company;s property for a specified period of each year.

(Registration number: 1968/013792/06)

Annual Financial Statements for the year ended 31 December 2024

Accounting Policies

1.4 Financial instruments

Initial measurement

Financial instruments recognised on the statement of financial position include cash resources, trade and other receivables, levy debtors and other payables.

The financial instruments are measured initially at their transaction price (including transaction costs).

Financial instruments at amortised cost

The financial instruments are subsequently measured at amortised cost.

The company uses a bad debt provision to recognise impairments on levy debtors. The impairment loss is recognised through the bad debt provision which is recognised in levy surplus or deficit within operating expenses.

1.5 Taxation

Tax expenses

Taxation repesents the taxation charge levied by the South African Revenue Services against the company's taxable income. In view of the nature of the company's operations (share block) the company's taxable income is not representative of its net levy surplus, but rather limited to the non-levy income net of expenses incurred in the generation therof as controlled by section 10(1)(e) of the Income Tax Act.

1.6 Employee benefits

Defined contribution plans

The cost of all short term employee benefits, such as salaries, medical and other contributions is recognised in the period during which the employee renders the related services.

1.7 Provisions and contingencies

Provisions are recognised when;

- the company has an obligation at the reporting date as a result of a past event;
- it is probable that the company will be required to transfer economic benefits in settlement;
- and the amount of the obligation can be estimated reliably.

Provisions are measured at the directors best estimate of the expenditure required to settle the obligation at the statement of financial position date and are discounted to present value where the effect is material.

1.8 Levy income

Represents levies received against timeshare unit holders, net of value added taxation, to defray operating costs, plus sundry sales and recovery of expenses.

Notes to the Annual Financial Statements

Figures in Rand	2024	2023

16. Contingent liability

The company has a contingent liability in respect of Electricity deposit in favour of Ethekwini Metro amounting to R138 799.

17. Financial risk management

The financial instruments of the company consist of primarily cash deposits with banks, trade payables and borrowings. The carrying value of financial instruments appoximates their fair value, determined in accordance with the accounting policies of the company.

In the normal course of operations, the company is exposed to credit risk, interest rate risk and property holding risk.

Credit risk

Trade receivables comprise of levy income outstanding. At 31 December 2024 the company does not consider there to be any material credit risk that has not been adequately provided for.

Interest rate risk

Fluctuations in the interest rates impact on the rerurns derived from short term bank deposits as well as cost of financing activities, giving rise to interest rate risk.

Property risk

The company is exposed to potential losses as a result of damage to the company's land and buildings. This is covered by maintenance of appropriate insurance cover which is reviewed on an annual basis.

18. Going concern

The annual financial statements have been prepared on the basis of accounting policies applicable to a going concern. This basis presumes that funds will be available to finance future operations and that the realisation of assets and settlement of liabilities, contingent obligations and commitments will occur in the ordinary course of business.

The directors believe that the company has adequate financial resources to continue in operation for the foreseeable future and accordingly the annual financial statements have been prepared on a going concern basis. The directors have satisfied themselves that the company is in a sound financial position and that it has access to sufficient borrowing facilities to meet its foreseeable cash requirements. The directors are not aware of any new material changes that may adversely impact the company. The directors are also not aware of any material non-compliance with statutory or regulatory requirements or of any pending changes to legislation which may affect the company.

19. Events after the reporting period

The directors are not aware of any material event which occurred after the reporting date and up to the date of this report.
