Mombasa Tour

Ksh 7200pp | Full Day Tour (minimum of 4 guests per tour)

Mombasa is a place steeped in history, yet, at the same time, a fascinating commercial and cosmopolitan port town. It is an island connected to the mainland by bridges and ferries. The town overlooks a wide harbour, where commercial shipping mingles with traditional sailing shows.

Jumba La Mtwana Ruins

Ksh 4500pp | Half Day Tour (minimum 2 guests per tour)

Jumba la Mtwana is Swahili for "the large house of the slave". Within this area, four mosques, a tomb and four houses have survived in recognisable condition. As you gaze at the ocean washing over the beach, you can't help but wonder what really happened here.

Kuruwitu

From Ksh 3600pp (minimum 2 guests per session)

Fee only includes snorkelling activities. Other activities will be charged at an extra cost at the site

The Kuruwitu area is unique in the way mammals and birdlife have a direct relationship with marine life. The mammals that dwell in the forest have direct access to the beach that shares its shore with the community, as it has for hundreds of years.

Exploring Mida Creek is a must for everyone looking for an exciting change from sunbathing and relaxing on the beach. Be amazed by the fabled birdlife of Mida Creek during a kayak tour through one of the many branches of the rich mangrove forests.
