Celebrate a Little Longer

When the night is going beautifully, keep it going.

So we can plan staffing and give you our very best, here is how reception timing works:

- 🍷 **Evening weddings:** the buffet is cleared at 21h00.
- 🍷 **Lunch-time weddings:** the buffet is cleared at 14h30.
- 🍷 **Dancing past midnight?** R2, 500.00 covers the first hour after 24h00, then R2, 000.00 per hour thereafter.

Any extension to clearance **must be arranged before your wedding day** so we can roster the necessary staff — we’re unable to set this up on the day itself.
