

Parking Regulations of Nickel Resort & Wellnest Grzybowo

- By entering the parking area, the vehicle user agrees to the terms of these regulations and undertakes to comply with them.
- The parking area within the resort includes designated above-ground parking spaces.
- Parking is paid according to the specified price list. A daily fee applies to guests of the Property.
- In the event of non-payment, the Property may take all measures to document the fact of concluding a parking space rental agreement and pursue claims based on general provisions.
- The parking area is a monitored, guarded parking lot.
- Users are obliged to park vehicles in designated parking spaces, except for spaces marked as reserved. Parking vehicles outside designated parking spaces is prohibited.
- Parking vehicles in parking spaces designated for persons with disabilities by individuals other than users of vehicles holding a valid parking card, as referred to in Article 8(3) of the Act – Road Traffic Law, placed in a visible place behind the front windshield of the vehicle, is prohibited.
- Parking vehicles with diesel and gasoline engines in parking spaces designated for electric vehicles at vehicle charging stations is prohibited.
- Vehicles left in the parking area should be immobilized with the engine turned off and locked.
- The vehicle user is responsible for damage caused by the vehicle, including for contamination of the parking surface.
- The user is responsible for damage caused by accompanying persons.
- The entry of vehicles transporting flammable, corrosive, explosive, and other similar materials and substances that may create hazards for persons and property is strictly prohibited.
- A speed limit of 10 km/h applies within the parking area, and the rules of vehicle traffic contained in the Act of June 20, 1997, Road Traffic Law (Journal of Laws of 2005, No. 108, item 908, as amended), are in force.
