ELEVATED DINING  
ABOVE THE

# NAMIBIAN BUSH

Eight metres above the Namibian bush, SkyBoma re-imagines the safari dining experience. This signature dining concept celebrates Namibian heritage, nature and cuisine beneath open African skies.

Overlooking an active waterhole, SkyBoma welcomes up to 70 guests for an unforgettable evening from sundowner to starlit dining.

## THE EXPERIENCE

---

Begin with a guided walk where Haijjom guides, a subgroup of the San, share ancient traditions and reveal the architectural inspiration - termite hills and the Omayova mushroom.

Ascend the infinity-shaped "Stairway to Heaven" as a traditional fire-making ritual marks your passage. Enjoy panoramic sunset views and unhurried dining featuring fire-grilled Namibian game meats.

Our modern buffet follows a generous pace. During sundown, enjoy exquisite hors d'oeuvres from this lofted vantage point, watching for passing wildlife as the day fades in the west. When darkness falls, the main buffet unveils slow-cooked meats inspired by Namibian traditions, paired with seasonal indigenous ingredients. Desserts include Amarula honey ice cream.

*Visit SkyBoma for a truly one-of-a-kind dining experience rooted in culture, connection and place.*
