Thera Wellness

Thera Wellness is a thoughtfully designed space for holistic renewal, where relaxation goes beyond a single treatment and becomes a journey toward inner balance and well-being. Through soothing rituals, restorative spa therapies, and experiences rooted in mindfulness, movement, and intentional rest, it gently guides you toward lasting renewal.

Nature is not only an inspiration here, but an integral part of the entire experience. Aromatherapy, the calming energy of the surroundings, and the natural rhythm of the space invite deep relaxation, foster a stronger connection with oneself, and support overall well-being on multiple levels. From yoga, aqua aerobics, and fitness sessions, to a full-size swimming pool, a sauna zone with guided sauna ceremonies, and a sun garden - as well as a summer pool bar and holistic therapies - every element has been designed to nurture balance and encourage positive, lasting change.

Seasonal Offer

October - December 2026

Autumn

Autumn at Thera Wellness brings soothing comfort, warmth and cosiness, with a moment to pause and unwind. Bring balance to your day with warming body massages, an invigorating facial massage with gua sha stones or natural body scrubs. Combine a moment of care with relaxation in the warmth of the saunas and time spent in the water to extend the pleasure of your ritual and restore your inner harmony. With every SPA ritual priced at PLN 300 or more, you will receive complimentary all-day access to the wellness area.

Iris & Pink Pepper *Relaxing massage*

60 min 330 PLN

A relaxing massage performed with warm oil envelops the skin in a subtle fragrance with a light masculine note. Coconut and soybean germ oils, together with beeswax, leave the skin nourished and smooth, while relaxing massage techniques release muscle tension and promote a sense of calm.

He/She Body Ritual with Scrub

60 min 350 PLN

Intense, deep and aromatic green coffee & snuff, or light and refreshing melon & cucumber – choose the fragrance that appeals to you and enjoy smooth, moisturised skin. The full-body scrub is followed by a relaxing body massage using a lightweight body lotion

Warming Massage for Tired Muscles

60 min 350 PLN

An intense and deep classic massage based on pure essential oils and extracts of ginger, lavender, pepper and rosemary. It is a comforting treatment for physically active individuals and anyone who feels tired, overworked or in need of a soothing reset.

Magnolia Facial Massage with Gua Sha

45 min 350 PLN

An invigorating body treatment that brings vitality and the lightness of summer. The ritual begins with a gentle bamboo body scrub to smooth and refresh the skin. It is followed by a relaxing massage using a citrus body balm with an enveloping citrus-woody fragrance featuring notes of grapefruit, rosemary and juniper berries.

Herbal Hot Stone Massage

60 min 350 PLN

A warming relaxation massage using heated stones and shea butter. Targeted botanical aromatherapy combines, among others, notes of lavender, lemon, marjoram, thyme, cypress, calendula, orange and mandarin, enhancing the feeling of harmony. Kneading, stroking and rubbing techniques release tension and envelop the senses in soothing warmth.

Body Massage

Relaxing Body Massage

Relaxing massages at Thera Wellness are created with care for every detail. We use natural oils, butters and aromatherapy blends to help you calm your mind and body. Choose the technique and intensity that fits your needs and let relaxation become a regular part of your wellness routine.

Sea Waves

45 min 300 PLN

Our signature body massage inspired by the gentle movement of the sea. It is performed with oil enriched with marine extracts. The massage helps to firm the body, supports detox, strengthens the organism and improves circulation.

Active ingredients: grapeseed oil, jojoba oil, argan oil, sea water, algae, microminerals

Green Earth

45 min 300 PLN

A soothing full body massage infused with botanical aromatherapy. Drawing on the power of over twenty plant, herbal and fruit extracts, it calms the nervous system, clears the mind and brings you back to a grounded sense of balance.

Aromatherapy: lavender, lemon, marjoram, thyme, cypress, calendula, orange, mandarin

Deep Sleep

75 min 450 PLN

A calming evening spa ritual designed to support deep rest and more restful sleep. Gentle, unhurried techniques stimulate the parasympathetic nervous system, soften tight muscles, reduce stress levels and help relieve tension headaches. It is an ideal choice for unwinding at the end of the day.

Aromatherapy: lavender essential oil, ylang-ylang essential oil, petitgrain

Morning Energy

75 min 450 PLN

An energetic ritual created to start the day with clarity and drive. It combines elements of Eastern mindfulness with precise Western massage techniques. The treatment feels like a refined "espresso for the body", releasing accumulated tension, boosting circulation and setting a bright, positive tone for the hours ahead.

Aromatherapy: pink grapefruit, rosemary, juniper and pine essential oils

Thera *Signature Massage*

60 min 360 PLN

A bespoke signature massage that artfully blends oriental lomi-lomi techniques with classic massage. Naturally unscented, it is an ideal choice for Guests with sensory sensitivity or allergies who still wish to experience a deeply relaxing, enveloping touch.

Active ingredients: 100% natural shea butter

Rose Garden

75 min 450 PLN

A deeply soothing aromatherapy massage that restores emotional balance and quiets a busy mind. It is particularly recommended for Guests experiencing exhaustion, overwhelm or mental overactivity. The ritual combines a grounding breathing practice with precise neuromuscular work to gently release stored tension and create a sense of inner spaciousness.

Aromatherapy: damask rose, geranium, palmarosa

Enhance your Relaxing Massage with our Dedicated add-ons.

Extra time

30 min 200 PLN

Extend your massage by an additional 30 minutes and enjoy even deeper relaxation.

Bamboo scrub *Vagheggi*

30 min 240 PLN

Smooth your skin by beginning your massage with a natural bamboo body scrub. Bamboo particles boost microcirculation, support skin regeneration and leave it exceptionally soft.

Regenerating and Therapeutic Body Massage

Therapeutic massages at Thera Wellness are precise manual treatments, created with specific concerns in mind and inspired by the healing properties of herbs and plants. We use only natural herbal extracts, essential oils and cosmetics with proven therapeutic effects to gently ease muscle pain, calm inflammation and release nervous tension.

Classic Massage – regeneration and relaxation

30-60 min 230-330 PLN

Classic massage is a traditional relaxation and therapeutic massage for the whole body, performed with smooth, harmonious movements. It releases tension in tight muscles, improves blood and lymph circulation, reduces stress and supports the body's natural regeneration.

Active ingredients: cottonseed oil, optional aromatherapy

Ginger Therapy for tired muscles

75 min 450 PLN

A deeply relaxing aromatherapy massage focused on releasing tension in the back, using warm, herb infused compresses that gently melt tight muscles and restore a sense of lightness along the spine. Grounded in pure essential oils and botanical extracts, it is a nurturing choice for physically active Guests and for anyone feeling tired, overloaded or in need of a soothing reset.

Aromatherapy: ginger, lavender, black pepper, rosemary

Deep Tissue Therapy

60 min 360 PLN

An intensive manual therapy focused on deep muscles and trigger points, using slow, firm pressure and fascial release techniques. It effectively dissolves chronic tension, improves joint mobility and helps to reduce pain.

Active ingredients: olive oil, beeswax, almond oil, vitamin E, arnica

Eucalyptus support breathing *hot-stone*

75 min 450 PLN

A soothing massage ritual enriched with mindful box breathing practice. The carefully selected essential oils help open the chest, ease each breath and gently clear the airways. Warm basalt stones, combined with classic massage techniques, wrap the body in deep, comforting relaxation.

Aromatherapy: eucalyptus, pine and thyme essential oils, camphor, grounding clay

Nourishing Rituals

Holistic Body Care Rituals with Massage

Our nourishing rituals are natural therapies for both body and mind. They combine full body exfoliation, regenerating body masks and deeply relaxing massages designed for unhurried, all embracing rest. The minerals of the sea, shells and amber wrap you in a sense of soothing coastal calm.

Essence of Freshness *Mokosh*

60 min 450 PLN

A light, refreshing full body exfoliating and moisturising treatment with a salt scrub and a feather light balm. It smooths and firms the skin, helps to reduce the appearance of cellulite and leaves the body pleasantly refreshed thanks to Dead Sea salt, argan, shea and cucumber oils and Asian centella.

Baltic Gold *Saint Malo*

90 min 590 PLN

A nurturing body ritual with amber and marine extracts. It begins with a gentle exfoliation using fine amber particles that naturally smooth the skin. A polar algae mask then hydrates and soothes dry or irritated areas, while a massage with mineral rich marine oil restores firmness, elasticity and a supple, healthy feel.

Shells & Cotton *Saint Malo*

90 min 590 PLN

An intensively exfoliating ritual with delicate shell particles that refine and soften the skin, revealing its silky smoothness and natural glow. After the scrub, an enveloping cotton foam mask is applied to calm, hydrate and bring lasting comfort. The experience is completed with a relaxing full body massage that releases muscular tension, quiets the mind and allows you to fully immerse yourself in a moment of sensual ease.

Slimming and Firming Body Rituals

Our firming and draining rituals are intensive therapies that help to sculpt the silhouette and improve the overall condition of the skin. They combine nourishing full body exfoliation, draining body masks and precise massage with advanced technologies, Colombian contouring techniques and anti-gravity movements, amplifying the effects of slimming, cellulite reduction and detoxification.

Sea Sculpture *Vagheggi*

90 min 590 PLN

A draining, anti-cellulite ritual that harnesses the power of marine ingredients to address cellulite and water retention. The treatment includes a salt body scrub with draining properties, a warming maderotherapy massage performed over a slimming serum and a mask applied to key areas of the body. A full-body manual drainage massage completes the experience, leaving the silhouette feeling lighter and more defined.

Active ingredients: marine algae complex, bladderwrack, pink pepper, Tasmanian pepper oil

Salt & Waves *Vagheggi*

60 min 590 PLN
Hi-tech pressoterapia

A precise ritual designed for specific areas such as legs and thighs, abdomen and arms. A sea salt scrub with marine extracts smooths and mineralises the skin, draining bandages support detoxification, and pressotherapy further enhances circulation and eases the feeling of heaviness. It is an excellent choice for Guests seeking lightness in the body and a visibly more refined shape.

Active ingredients: marine algae, bladderwrack, pink pepper, Tasmanian pepper oil

Technology: pressotherapy

Lava *Vagheggi*

90 min 590 PLN

A multisensory body treatment with anti-gravity massage that effectively refines body contours and firms the skin. A glycolic peel leaves the surface perfectly smooth, while a serum and mask enriched with caffeine and capsaicin alternately warm and cool, acting directly on fat cells and stimulating their breakdown.

Active ingredients: caffeine, capsaicin, volcanic sand, charcoal

Body Lift *Vagheggi*

60 min 590 PLN
Hi-tech lipodrenaż

An advanced treatment that unites three powerful body contouring technologies: ultrasonic liposuction, infrared and vacuum drainage combined with phytocosmetics. This synergy intensively slims, targets stubborn cellulite and firms the skin, while supporting the body's natural regeneration and detox processes. At the same time, lipodrainage improves cellular function. The treatment focuses on selected areas such as thighs and buttocks or abdomen and hips.

Active ingredients: caffeine, capsaicin, volcanic sand, charcoal

Technologies: infrared, ultrasonic liposuction, vacuum drainage
