The New Year's Eve celebration in the Las building will be hosted by Mateusz Załęski, currently performing under his solo project Zalesky. He has been active on the music scene since 2008 - previously as a co-founder of the Sound Rebellion collective, and now as an artist developing his own refined musical selection.

ARTIST OF THE EVENING

ZALESKY

Throughout his career, he has shared the stage with recognised artists from the Polish and international club scene, including Kygo, Tiga, GusGus, Oliver Koletzki, Niko Schwind, Boys Noize, DJ Tonka, as well as Nikodem Rozbicki / Niko Damn, Piotr Kędzierski, Kuba Karaś, Flirtini, Kovvalsky, Vinylstealer, Lazy1 and many others.

His experience includes club stages, large-scale music events and corporate projects. He has also performed on main stages of student events between concerts by artists and bands such as Myslovitz, T.Love, Hey, Dżem, Sidney Polak and Akurat.

Zalesky combines house music, electronic sounds, the energy of the 1980s and 1990s, and an open format selection. His style is based on a strong sense of place, mood and audience — allowing him to create both an elegant cocktail atmosphere and an energetic dance set.

AT SALTIC SALTIC RESORT & SPA ŁEBA, HE WILL CREATE THE MUSICAL SETTING FOR THE NEW YEAR'S EVE CELEBRATION IN THE LAS BUILDING - STYLISH, POLISHED AND GUIDED BY A REFINED UNDERSTANDING OF SOUND.
