Welcome note from the Managing Director

Revitalize Spa was born on 2nd July, 2014, out of the vision to bring together the power of **touch, fitness, nutrition and beauty**, with the purpose to help the body achieve a comfortable state of health and vitality.

Our team of professional staff are indeed committed to promoting the brand which we have worked extremely hard to build.

We promise our clients that we will always use products that are 100% free from synthetic fragrance and mineral oils to ensure the skin is cared for. We do not compromise in our spa's standards, and we ensure to always maintain professionalism in all our services.

Our mission is to provide services of excellence that visibly repair and enhance the appearance of wellness, with truly remarkable results in a professional environment that creates balance of body, mind, and spirit.

We are constantly expanding our range of services to offer you the most advanced treatment methods. We proudly offer **Spa at Home** services in the comfort of your own home as we bring the spa to you.

Thank you for trusting us. We are grateful that you chose Revitalize as your Spa of choice!
